Offer name: THE METROPOLE MONTE-CARLO RESTAURANT

Offer date: 8/3/2021 5:37:33 PM
Expiration date:

28 litre capacity sous vide water bath. Stainless steel construction with high precision temperature controller for accuracy and repeatability. Push button controls and bright digital display of temperature to 0.1°C. Temperature range ambient to 95°C. Accurate to better than $\pm 0.2^\circ\text{C}$. Integrated timer range: 1 minute to 99 hours, current time and temperature is retained in memory even after 'power off', drain tap, removable perforated stainless steel shelf which provides even distribution of heat throughout the chamber by convection. Side lifting handles for easy transportation. Low liquid level warning with visual 'FILL' message. Run dry protection. Supplied with stainless steel lid with easy grab insulated orange lid. Controls are placed on the narrow end of the bath meaning that the whole unit can be run from 'front to back' on the counter top saving space which is at a premium in a busy kitchen. Electrical supply 230V, Power consumption 1.5 kW. Power length: 1.5 metre, UK or EU available, please specify at time of order.
